*Place this card under your nose. Take a Mussel-Mouth selfie.
Spread the message with #DontMoveAMussel.*

If we don't do anything, we risk losing everything.

Invasive zebra and quagga mussels are tiny, but they're our biggest threat. The Okanagan's water, beaches, fish, property values and economy are all at risk.

*Remind everyone to stop at all watercraft inspection stations, and to Clean, Drain, Dry their watercraft and gear **BEFORE** entering our water.*

Spread the message. Not the mussel.
